**Hometown Strong** is a way for GTS as therapists and member of community to give back to the communities that we love and live in.

Each month employees of GTS donates a portion of their paycheck and GTS rounds that amount up to make a donation to a local charity. Each staff member that donates to this fund is entered into a drawing and once per month we draw a staff member name.

Katrina Reed, PTA chose Cotter Warriors Booster Club and the North Arkansas Youth Center to receive the \$1,000.00 donation.

The Cotter Warrior Booster Club is a volunteer-driven, non-profit organization committed to serving and uniting the Cotter community. The Booster Club supports Warrior Athletics as well as, school academic and extracurricular clubs and organizations. The Cotter Warrior Booster Club also provides several scholarships to CHS graduates each year.

The North Arkansas Youth Center is a non-profit organization that allows local children to play supervised after school. It provides opportunities for students to play basketball, ping-pong, pickleball, foosball, and even board games. It also provides a free wifi location for students to work on homework after school hours. The youth center also helps Cotter Schools by serving as a third gym when organized sports do not have a gym available for after school practices. We also help several travel teams practice after hours upon appointment.

The hours of operation for the North Arkansas Youth Center are school days from 3:00 to 6:00. People are also able to rent the facility for 2 hours on the weekends and after hours.

If you have any questions, please contact our Director, Lillete Morettini during office hours at **(870) 435-2850**.
